          I am readily familiar with the firm's practice of collection and processing correspondence
19   for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same
     day with postage thereon fully prepaid in the ordinary course of business. I am aware that on
20   motion of the party served, service is presumed invalid if postal cancellation date or postage
     meter date is more than one day after the date of deposit for mailing in affidavit.
21
          I declare under penalty of perjury under the laws of the State of California that the above
22   is true and correct.
